**Notes:**

1. Following receipt of the mandate form, GoCardless will confirm when the mandate has been set up. This normally takes a few days for them to submit the mandate and for your bank to confirm that they have acted on your instruction.
2. As part of our commitment to keeping pensions simple, if you have both a monthly employer services charge and print and postage costs we will deduct them from the same bank account for all payroll(s). VAT invoices will be provided.
3. Currently, paying print and postage costs by direct debit is only available to employers who became Participating Employers after July 2015.
4. If you want to avoid incurring print and postage costs you can select to have communications for any employees we have not been provided with an email address for, to be delivered to you as PDFs. We will send the communications to a centrally managed company e-mail address, for you to print and deliver to the employee within the statutory timescales (six weeks). If you want to change to PDF communications you can do this in your NOW:Pensions portal under Company Details (if a payroll bureau/accountancy firm fully manages the upload of your payroll data to NOW:Pensions they will be able to change these details).
